13th May 2026

Dear Parents & Carers,

We are writing to let you know about an exciting development at Red Hill Field. Following a consultation with our families and having received approval from the Local Authority, we are pleased to announce that we will be launching our own preschool from September 2026.

Initially, the preschool will offer 24 places for local families with the option for funded places and paid additional hours. This is a very exciting step for Red Hill Field and supports our ambition to provide the very best start for our children and to support our families in every way we can.

The preschool will be situated in the Villa and will have its own dedicated space, including appropriate changing facilities and experienced staff to support the children. The preschool will also offer early drop off and late pick up facilities and will be open 50 weeks of the year (two weeks closure at Christmas).

We are delighted to be able to offer this new preschool provision. Having seen the positive impact of on-site preschools in other schools across Learn Academies Trust, we are confident that our preschool children will thrive as part of our wider school community.

Best wishes,

Rachel Watts

Headteacher
